BEST AVAILABLE COPY

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.

2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO will file patent applications of 18 months from the date of claim filing date. The USPTO will delay the publication of an invention until it is made available to a defense agency under a USC 35101 until procedure that is 6 months from the filing date or 30 days from the date of referral to the agency. This application will be ordered for publication 6 months from the filing date or 90 days from the date of "Date of Filing" of the invention, unless a response is provided to the USPTO regarding the process and recommendation to the invention of a system or order.

Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a security order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose security has been made or a security order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a security order.

The USPTO publishes patent applications at 18 months from the earliest claimed filing date. The USPTO will delay the publication of an application made available to a defense agency under 35 USC 181 until no earlier than 6 months from the filing date or 90 days from the date of referral to that agency. This application will be delayed for publication 6 months from the filing date or 90 days from the referral date, whichever is later, unless a response is provided to the USPTO regarding the necessary recommendation as to the imposition of a security order.

The (USPPI) neither would recommend, nor to modify from the already defined rules, date April 1, 1981, and delay the introduction of a new rule, not better, not the same, but as a separate agency under the USF, and may no longer have authority from the USF, and an act from the USF, considered as the authority. The application will be changed for publication in months from the USF, and may 20 days from the above "Date of report" which was a letter, unless it is signed by a representative of the (USPPI) and then the process of recommendation as to the introduction of a new rule, and
